a wonderful place to live - work - play!*

## Mission Statement

- *To create an organic, inclusive, accepting organization for all residents and business owners targeting Richmond Hill as the ideal place to live – work – play, so that collectively we can cooperate to achieve our goals of making Richmond Hill a wonderful community.*
- *To encourage all to start with loving and caring for themselves, their families, their homes, their neighbourhood, Richmond Hill, York Region, Ontario, Canada and ultimately the world. Allowing those positive vibrations to flow outwards similar to the pansy shown, to encourage peace and harmony everywhere.*
- *All members can contribute as little or as much as they want to or are able to. Membership can be financially based, sweat equity based, it's all about you and what you can or want to give. Anything can happen when we go forth in neighbourliness and friendship!*
